

# OUR SCHOOL RULES

I behave well and always move in a calm way at school.

My behaviour is non-violent and I speak in a polite manner to everyone.

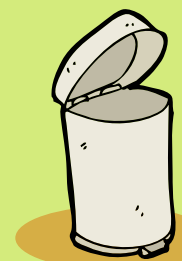

I respect adults and other children and I settle conflicts calmly by communicating and using my words.

My attitude is positive: I help others and I encourage them. I am caring.

I respect the school materials, that of others and my environment, I throw the waste into the bin.

I look after after everyone and everything.

Valuables or dangerous objects stay at home.
